Special Provision for Pavement Marking Removal

January 9, 2009

This special provision was developed by the Bureau of Construction to remove the use of grinders as an option for pavement marking removal.

This special provision should be inserted into contracts at the district's discretion.

The districts should include the BDE Check Sheet marked with the applicable special provisions for the April 24, 2009 and subsequent lettings. The Project Development and Implementation Section will include a copy in the contract.

This special provision will be available on the transfer directory
January 9, 2009.
